Dear Community Supporter,

I would like to personally ask you if you would consider being an Athletic Booster Club "Auction Sponsor". At last year's auction we were able to increase our auction profit by over \$10,000 by getting direct sponsors.

As you may already know, the Athletic Booster Club has provided scholarships to graduating student athletes and helps provide additional equipment purchases that District 7 cannot. In addition to that, we have also upgraded the weight room, helped with maintenance and improvements to our track, football, softball, and baseball fields and Heater-Newman Gymnasium. There are even more fantastic things that the Booster Club has been able to purchase to help support GPHS athletics and a big part of our income comes from the auction.

I am asking for your help and support by being a sponsor. When you are a sponsor, you receive countless forms of advertising. We put your business logo on all our publications (save the date cards, auction invitations, tickets, newspaper and radio ads, posters, and auction booklet). We also personally thank our sponsors at the auction in front of over 300 community members.

If you are interested, please fill out the form below and turn it in to the Athletic office or call Teresa Musser at 541-659-3377.

Thanks so much,

Teresa Musser
